Serge, Ross and Anthea,
SUNSET Campers
MOUNT GAMBIER SA

Dear Serge, Ross and Anthea

Thank you all so much for your wonderful help in preparing our camper trailer for the most amazing two week holiday travelling to the DIG Tree and home through the Flinders Rangers.

Nick and I and our four children had the most memorable holiday ever!!!

The camper trailer was brilliant, especially the ease of set up. My daughter and I could set up easily, while the boys went to collect the fire wood each night!!! And the Queen bed was delightful after a big day travelling!!!

You were so helpful and we would recommend SUNSET Campers to all our friends thank you very much.

Please feel free to refer any potential clients to us should they wish to do so.

Thank you again!

Kind Regards
